

5.11 Tactical Light for Life

Product Code: BZ53000

Retail price \$270 inc GST

Features:

- Lightweight rechargeable flashlight with strobe
- Recharges in 90 seconds – charges 160 times faster than its nearest competitor
- No batteries to replace – uses ultra capacitor technology to charge
- Ultra capacitor has no memory loss like batteries – this flashlight can be charged at any time during its cycle, or left on charge for any length of time, without causing damage to the charging life
- No bulbs to replace – uses 3 powerful LED's that are rated for more than 50,000 hours of life each
- Guaranteed to charge, and hold its charge, for at least 50,000 times. That adds up to more than 130 years if you use and recharge the torch every day
- Runs for 120 minutes on standard mode (90 lumens), ramping down to 25 lumens in its last 30 minutes of charge
- Cycle switch – press once for standard mode (90 lumens), press and hold for high mode (270 lumens), press twice for strobe function (270 lumens)
- Flashlight body is made out of a tough polymer to make it impact, abrasion and water resistant
- Includes car charger cradle and duty belt torch-ring holster
- Flare cones and lens filters available separately
- Limited lifetime warranty
