

US HOTELS

Thank you for your inquiry.

We appreciate you considering The Breakwater Inn & Spa for your worthy cause. As a company, US Hotels prides itself on having a positive effect in the communities where we do business. In the past our charitable efforts have included numerous beneficiaries such as relief for the victims of Katrina and more recently for Haiti earthquake relief.

We are now focusing our contributions on a singular cause that has become very dear to our hearts: *Cancer Research*.

As a company we have been able to raise tens of thousands of dollars to assist in the research and treatment of this disease. It is our hope that by focusing our efforts on this one cause we might be able to make a truly significant impact.
