### Atmosphere

If you're "over" lifeless, dull, un-airconditioned cooking/event venues, then you'll love our feature walls, bright placards and the ability to divide the room into two. The placards can be easily removed, if required, to create white walls for data projection, photo shoots and hanging your own logos and marketing materials.

### Entertainment

Cheeky can provide our entertaining chefs and wait staff, or we can leave you to enjoy our 150 square metres of exceptional event space. Plus, there's room and equipment for up to 50 people to cook together!

### Rates

Rates are flexible depending on the time period and day.

9+ hours for \$2,500 + GST

5-8 hours for \$2,000 + GST
